

ELECTRIC PRUNER
I-FORCE

I-FORCE

FOR FAST & FAULTLESS PRUNING

VOLPI SPA presents **I-FORCE**, the new electric pruner designed and built for those looking for a high-tech product, easy-to-use, reliable and high performing.

PROFESSIONAL

I-FORCE gives power and efficiency to professional users to obtain the perfect pruning result in any situation. The sophisticated electric system guarantees complete control of the pruner at all times and all major operating parameters are fully customizable.

ERGONOMIC

I-FORCE is lightweight and easy to handle. An in-depth study of ergonomics has produced a balanced and pleasing pruner for everyday use. Excellent materials ensure a perfect non-slip grip. The lightweight backpack, with latest generation lithium battery, is designed for maximum comfort.

2 WORKS FOR FULL DAYS ON ONE RECHARGE
