

**TECHNICAL DATASHEET**  
**MICRONIZER "JOLLY" 5Lt**  
**COD. M5V**

The micronizer M5V has been designed for spraying herbicides at low water volume

Power Supply	3V DC (2x1.5V alkaline battery)
Battery Autonomy	40 hours (alkaline battery)
Working range	120/150 cm
Droplet size	250 micron
Product Feeding Technology	Gravity feed
Tank material	Polyethylene
Tank Capacity	5 Lt
Tank inlet opening	60 mm
Aluminium arm lenght	100 cm
Covered area	From 110cm to 150cm
Net weight	1.60 Kg
Packaging sizes	107x16x33 cm
